

An easy walk to the local pub...25 minute round trip

- Exit the farm and turn immediately left into the meadow with the 3 large oak trees, please keep dogs on a lead.
- Follow the left hand margin of the field until you see the footpath sign and a stile heading uphill into the bluebell woods.
- As the woods clear to farmland, head across the large field in a slightly south westerly direction (say 11 o'clock on a clock face) you will see another footpath sign heading down into the woods. Please be sure to keep your dog on a lead as there are ground birds nesting here and it is a working dairy farm.
- Walk through the farmyard up the gravel track to Park Lane.
- Turn left down the lane, The White Horse Pub is on the left hand side. We thoroughly recommend you stop for a tippie and warm your cockles by the fire, Simon and Beth are very friendly and dogs are welcome too.
- Leaving the pub behind turn left to the end of Park lane and left onto Nuthurst Road.
- Follow the road up the hill through the woods, passing Joel's farm on the right. Conies Farm is around the corner on the left.
